
MEDIA RELEASE

WOOLSEY FIRE UNIFIED COMMANDERS

Repopulation of areas within Los Angeles County – Areas of Corral Canyon

The Los Angeles County Sheriff's Department is announcing the repopulation of the following areas impacted by the #WoolseyFire - effective Tuesday, November 20, 2018 at **10:00 a.m.**

The following areas along Corral Canyon will be opened beginning at **10:00 a.m.** on Tuesday:

This will include the following areas of Corral Canyon:

- North of Pacific Coast Highway
- South of Creekside Road
- East of Barrymore Drive
- West of Corral Canyon Road

Road Closures:

- Northbound Corral Canyon Road at Creekside Road
- Northbound Barrymore Drive north of Seabreeze neighborhood

The link below can be used to assist the public in determining if their property is in an area that has been repopulated: <https://goo.gl/sUCR5v>

Simply visit the link and enter an address for the #WoolseyFire area in the search field and press enter. You can then scroll out on the map to determine if the indicated area has a red or green background. Red indicates the area is still closed and unsafe to return. Green indicates the area is open for repopulation. In addition to the map, the below written descriptions of the areas to be opened has been provided.

The Fire Incident Command continues to monitor the active fire areas, as well as those areas remaining closed due to critical infrastructure concerns or safety hazards. Any future information pertaining to safety conditions and repopulation will be updated at the following link: www.LACounty.gov/WoolseyFire/

The Los Angeles County Sheriff's Department has a strong presence in the repopulated and evacuated areas for the next several days to ensure the protection of our residents and their property. All other road closures and evacuated areas for the #WoolseyFire remain in effect.
